Volunteer Park

We want to make Volunteer Park a place where we encourage inclusive play and give everyone the same recreational opportunities. The entire park will be all-inclusive. What that means is that every aspect of the park will be usable by those living with or without a handicap. The area is currently undeveloped, but when completed there will be a **walking path, playground, gazebo, restrooms, and a disc golf course.**

There, you can also find out how to get involved with the project.
