## Home Avenue Sidewalk Gaps Improvement Upcoming Project Information

**Description:** Construction of a new 10-foot sidewalk pathway on the north side of E Home Avenue between N 1<sup>st</sup> Street and Wenas Road. New driveway approaches, curb & gutter, ADA curb ramps, crosswalks, and street markings will also be constructed as part of the project. This project removes the existing sidewalk gap between N 1<sup>st</sup> Street and Wenas Road on E Home Avenue which gives pedestrians a safer route through this roadway section.

**Information:** Project information will be provided closer to the project start date

**Dates:** This project is planned for construction in 2026

**Hours:** Project hours will be provided closer to the project start date

**Location:** See project area below in red
