APPROVAL OF MINUTES: Yes **COMMUNICATIONS:** None

OLD BUSINESS:

- EMD Classification cards were made up and available. The ambulance will respond by themselves within 8 minutes or less on nothing critical.
- Spillman Live date Jan. 31st is still in the air.

NEW BUSINESS:

- Dr. Acosta long shifts letter was read.
- Discussion on the meeting date and some would like the last Tuesday of the month. Motion to make Officer's Meeting the last Tuesday of each month. Motion is carried to make Officer's Meeting the last Tuesday of each month. Officer's meeting will be the last Tuesday of the month effective February 22, 2011.

PERSONNEL:

NEW RECRUITS/PROBATES:

- Richard Oyarzo completed the Physical Agility. He is a Station 2 applicant and uncle to Jeff and a licensed electrician. BC Martin will get him going.
- Orientation @ Station 2 for 4 applicants on Feb. 2nd Miller and John Shipley will stay and help with orientation.

LEAVES/RESIGNATIONS:

- Dan Leitch resigned due to time constraints.
- Kyle Glaspie resigned because he got married and is going into the service.
- Ryan Maybe resigned to join the National Guard, he left this afternoon.
- Susan Reed was brought up in reference to her drill attendance and her alarms. She is not meeting the department minimum 50% drill attendance. There has been no communication from her either on what is going on.

GENERAL MEMBERSHIP:

TRAINING:

- All Stations will be at Station 1 for Sexual Harassment training on 1-26-11
- March schedule passed out.
- Team assignments/apparatus passed out.
- STICO Class Feb 26-27 @ Selah Fire – 7 attending from our department.
- BC Martin will check with Trevor at EV for the live burn practical for Wangler and Poggemeyer so they can get their Red Cards.

- Everyone needs to watch for their EMT recertification in the mail. The State is not notifying people very good anymore. In some cases the State is not sending notification.

MAINTENANCE:

- Selah 1 will meet with Station 4 & 6 as soon as he is well to finalize truck style to order on State Bid.
- Station 4 repair is in the process. The mason is getting the block 1/26/11 and work should start soon after that.

SAFETY:

- safety minutes: A strap on the engines when reloading hose was brought up. Station posters, an issue with the lighting on S16 and 46 at night when backing. Watch the soft shoulders.
- Jeff brought up buying the studs for your shoes and keep them in the engine and aid rigs so the crews are safer in icy conditions. Kitty litter was brought up as well and was stated to have dual purpose (absorbent and for slick surfaces).
- Mike Johnston brought up the radios not picking up radio transmission while on scene.

SEATBELTS, SEATBELTS, SEATBELTS.
