

SELAH FIRE DEPARTMENT OFFICERS MEETING

DATE: 2/22/11

CALL MEETING TO ORDER: 19:01

ATTENDANCE: DC Hanna, BC Martin, Scherzinger, Wagner, Miller, Prather, B. Messer Sr., Taylor, Sharp, Wangler, Biggers, Horton.

APPROVAL OF MINUTES: January minutes were approved with corrections to the Orientation at Station 2, Miller and J. Shipley would be staying to assist.

COMMUNICATIONS: None

OLD BUSINESS:

- S-47 & S-67 were ordered with the delivery in late April to early May, and hopefully in service by late June or mid July.

NEW BUSINESS:

- There is a bridge on Sole road near the end that runs over the canal. It is not suitable for our apparatus, because it is a 4X6 treated post bridge. There are two houses on the other side of the bridge. It will be a very long lay. DC Hanna has sent a letter to the residences in regards to the bridge.

PERSONNEL:

NEW RECRUITS/PROBATES:

- 5 new applicants and the written and oral interviews are done. 2 for Station 2, 2 for Station 4, 1 for Station . BC Martin would like to have a motion for the new folks to be brought on after they pass their physicals. He would like them to be brought on so they can attend the Red Card class refresher. Their start date would be March 9th. Motion by Miller to accept the 5 new folks after successfully completing their physicals. Motion is carried to accept the 5 new folks after successfully completing their physicals.

LEAVES/RESIGNATIONS:

- None

GENERAL MEMBERSHIP: Kit Prather has a new job and he will try and and make as many drills and alarms as he can.

TRAINING:

- The Training Officers Conference is in town this week. Wangler and Sharp are attending with BC Martin.
- STICO Class is this weekend and 6 of our folks are attending.
- Revised training schedule for March was handed out, because the EMS EPI Pin module was not ready.

MAINTENANCE:

- S-16 & S-46 in service last week. The others will be done hopefully soon.
- C-3 and S11 are having minor damage from the White Swan fire repaired.
- S11 tarp was replaced.

SAFETY: Make sure that the equipment on the apparatus is being secured because there are a lot of deaths and injury to citizens with things falling off of apparatus. Watch the soft soil and snow at Station 6 yesterday and in near future.

SEATBELTS, SEATBELTS, SEATBELTS.

This is a public meeting. If you wish to address an item that is not on the agenda you may now do so. The Chief or his designate reserves the right to place a time limit.

Biggers brought up the call at SIS. DC Hanna spoke to this event. There was a lot of discussion on this from several people. Prather brought up defibs at the school facilities, and there aren't any at this time.

ADJOURN TO TRAINING: to training on ICS at 19:30.

Gary Hanna, Deputy Chief _____

Jason Horton, Secretary _____
