

## **DEPUTY CHIEF/FIRE MARSHAL**

Selah Fire Department, providing fire and emergency medical services with capabilities for responding to a very wide range of occurrences, including fire protection to a combined 65 square mile city and district for domestic and wild lands, hazardous materials, and other situations, is actively recruiting candidates for the fulltime position of Deputy Chief/Fire Marshal. The department is looking for a proven professional leader with the energy, vision, desire and passion to help lead our department. The position requires performing a wide range of complex administrative duties involving the planning, coordination and directing of the emergency service operations of a full service combination career and paid on call fire/EMS/ emergency response agency. This includes providing administrative leadership in fire department budgeting and finance, code enforcement, emergency medical services, personnel, and training. The ideal candidate shall be an experienced fire officer that is comfortable commanding structure fires, wildland fires, motor vehicle accidents as well as many other types of complex incidents and value all employees as well as a very strong paid on call volunteer firefighter program.

Located on the northern border of Yakima County in Central Washington State, Selah is the gateway to the Yakima River Canyon. Our community offers a wide variety of outdoor and cultural activities, including world class fly fishing, a variety of winter sports, outstanding mountain biking and hiking, superb big game, upland and waterfowl hunting, plus excellent schools, restaurants, shops and other activities to accommodate the needs and interests of individuals and families.

We require the experience, educational achievements and physical skills commensurate with a position of this nature. The hiring range for this exempt forty hours per week, with additional hours as necessary, position is \$6,200 to \$6,500 depending upon education and experience, plus an excellent benefits package.
