Section 1: Introduction

The Transit Development Plan 2024 - 2029 provides updated information and forecasts to the Washington State Department of Transportation on Selah Transit's current components and accomplishments as well as proposed action strategies for 2024 - 2029.

This document is also used to notify the public about projects, which have been completed, are in process, or are planned for the future. Following a public hearing, the Selah City Council will approve this plan before this document goes into effect.

Section 2: History

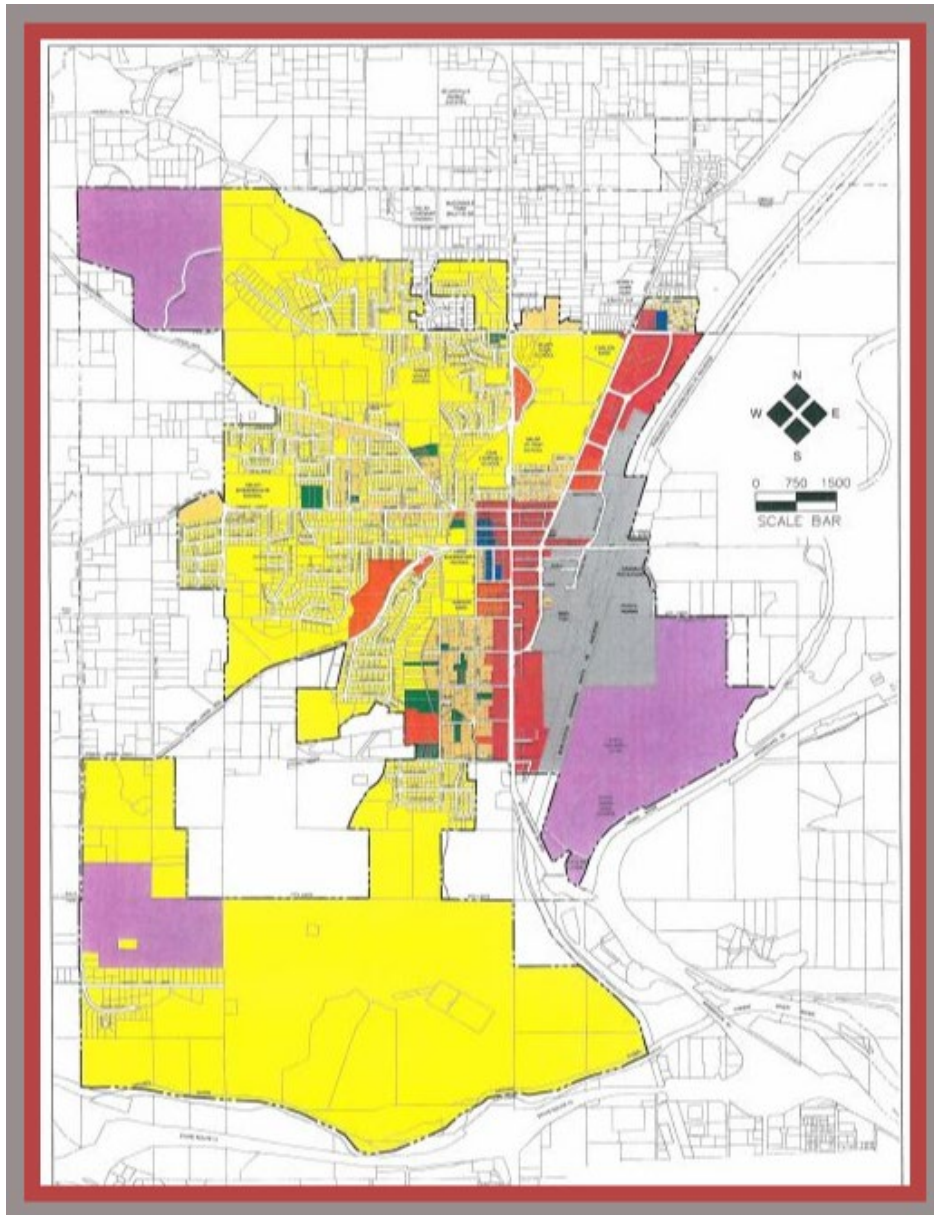

Selah was officially incorporated on April 3, 1919. Selah has a strong major form of government. Selah's base economic activity primarily consists of fruit warehousing/processing facilities due to the proximity of fruit orchards in the nearby Wenas Valley and access to regional railroad and roadway systems for shipment to markets.

Selah's Transit services are funded by a voter-approved 0.3% sales tax in 2007. In 2009 the City of Selah began public transit service through a contract with Yakima Transit providing fixed routes and Paratransit services. In May 2018 the City of Selah ended its contract with Yakima Transit and contracted with Medstar Transportation to provide both fixed route and paratransit services.

Section 3: Location

Selah covers 4.37 square miles (2796.5 acres), with a population of 8,309. It is located in Yakima County, which spans 4,296.1 square miles – the second-largest land area and seventh-largest population area in Washington State, with a population of 260,778.

Section 4: Organization

Selah Transit is a municipal transit system as authorized in RCW 35.58.2795.

The Selah City Council governs Selah Transit.

Selah Transit is a municipal transit system as authorized in RCW 35.58.2795 and is located in Yakima County. The City of Selah does not have any transit-specific employees dedicated to Selah's Transit operations. Selah's transit-related staff consists of administrative personnel that support the City as a whole, including positions from City Hall and Public Works. The Selah Public Works Director oversees Transit contracts and services for both fixed route and paratransit ADA services with Medstar Transportation.

As of 6/3/2024, Selah Transit's contractor employed:

1 full-time employee in the operations division

5 full-time equivalents in the Dial-A-Ride Paratransit division

.5 full time equivalent in the maintenance division

.5 full time equivalent in the administration division

.5 full-time equivalent employed by The City of Selah transit division

7.5 Total Transit employees

Section 5: Physical Plant

The contractor's facility is located at 1904 Fruitvale Blvd., Yakima, WA 98902. Their contracted services provider Medstar Transportation owns the building.

Section 6: Service Characteristics

Selah Transit operates 2 fixed-route buses. The Selah Route operates within the City of Selah Monday through Friday from 6:45 a.m. to 5:50 p.m. and Saturday from 10:30 a.m. to 5:07 p.m. The Selah/Yakima Route operates Monday through Friday from 6:30 a.m. to 6:33 p.m. and Saturdays from 10:30 a.m. to 4:31 p.m. Each route has a midday break in the schedule. There are no fixed route services on Sundays or federal holidays.

Dial-A-Ride Paratransit service operates the same service hours as the fixed-route service.

For further details on our local fixed route services or Dial A Ride rules and applications, please visit us at <https://selahwa.gov> or www.gomedstar.com or see the back section of the Yakima Transit Bus book.

The vehicles are owned and operated by Medstar Transportation and include a combination of ADA accessible

passenger cutaway chassis vehicles and Grand Caravan minivans. Because all vehicles used in the provision of transit services are purchased and owned by the contractor and not the City of Selah, there is no listing for capital expenditures for buses in this plan. When vehicles are listed as additions to or replacements of vehicles used for transit purposes, it is for fleet description only and no Capital funds are used at this time but could be considered in the future.

Selah Transit Fare Structure per Boarding (effective June 1, 2024)

Fixed Route Day Pass - Selah Residents.....	\$1.00
Fixed Route Monthly Pass - Selah Residents 19 and older.....	\$15.00
Fixed Route Day Pass - Non-Selah Residents.....	\$1.00
Fixed Route Monthly Pass - Non-Selah Residents 19 and older.....	\$30.00
Fixed Route Monthly Youth Rate for 18 years old and younger.....	Free
Dial A Ride Boarding.....	\$2.00
Dial A Ride Ticket Books.....	\$20.00
Youth 18 years old and younger.....	Free

Section 7: Service Connections

Selah Transit connects with Yakima Transit routes 3 and 4 at 40th Ave and N 16th Ave. It also connects with route 7 at 40th Ave and Route 8 at N 16th Ave. Selah Transit connects with Union Gap Transit at the Sears passenger shelter on Valley Mall Blvd and Main St as well as connections with Pahto Public M-F at 10:45 a.m., 2:30 p.m. and again at 5:10 p.m. These connector routes meet up with the Ellensburg Commuter, CWA Airporter Shuttle for trips to Seattle, and the Community Connector for trips throughout Yakima County as well as connections to Ben Franklin Transit.

Selah Transit offers Dial A Ride services within the City of Selah and to and from the city limits of Yakima and Union Gap.

Section 8: Service Development & Improvements

- The contractor will continue to work closely with the City of Selah to promote Selah Transit, emphasizing increasing fixed-route ridership. Use surveys to improve routes.
- The contractor will work with the City of Selah to promote local businesses.
- Use innovative software to streamline operations and efficiencies.
- Mobility management.
- Micro Transit to transport residents to fixed-route connections.

Section 9: Selah Transit Development Plan & WSDOT - Operating & Investment Guidelines:

Preservation: Continue to meet all the requirements of the ADA as it applies to fixed-route and paratransit services. Maintain or increase levels of service, and try to add more alternative fuel or hybrid vehicles.

Safety: The continued modernization of the vehicle fleets including fleet software will improve system safety by enlisting the latest safety-related technology, securement, and maintenance systems. The installation of new bus shelters will also improve system safety by providing a waiting area that is both well-lit and away from traffic.

Mobility: All Selah Transit vehicles are ADA-accessible vehicles equipped with Q'Straint securement systems. This allows total accessibility for those who can access the fixed route systems as well as for those residents who use paratransit services.

Environment: By the year 2029, we hope to have converted all transit vehicles to hybrid or alternative fuel technology to enhance a healthy community, promote energy conservation and protect our environment.

Stewardship: It is the intent of Selah Transit, to work towards greater efficiency and to improve the quality of our on-demand transportation services with efficient routes and studies for future investment in micro-transit services for local and outlying businesses. This could include an on-demand rider App that allows riders to easily view the ETA of each vehicle in real-time.

Section 10: Plan Assumptions

Population – According to the 2023 census report, the Selah Transit service area population is 8,080.

1. **Sales Tax:** We are expecting Sales Tax to increase at a rate of 1.5% through 2029.
2. **Inflation Factor:** Medstar Transportations wage and salary costs will increase by 6.00% per year throughout the plan due to Washington State Minimum Law potential changes. All other costs will increase at an estimated 2.50% per year throughout the plan.
3. **Fixed Route Bus Service:** In 2024 Selah Transit will provide approximately 5,597 hours of revenue service. Ridership will be consistent through 2029.

Figure 1: Monthly Ridership

Depicts the month ridership totals since the implementation of services by Medstar Transportation through 2023.

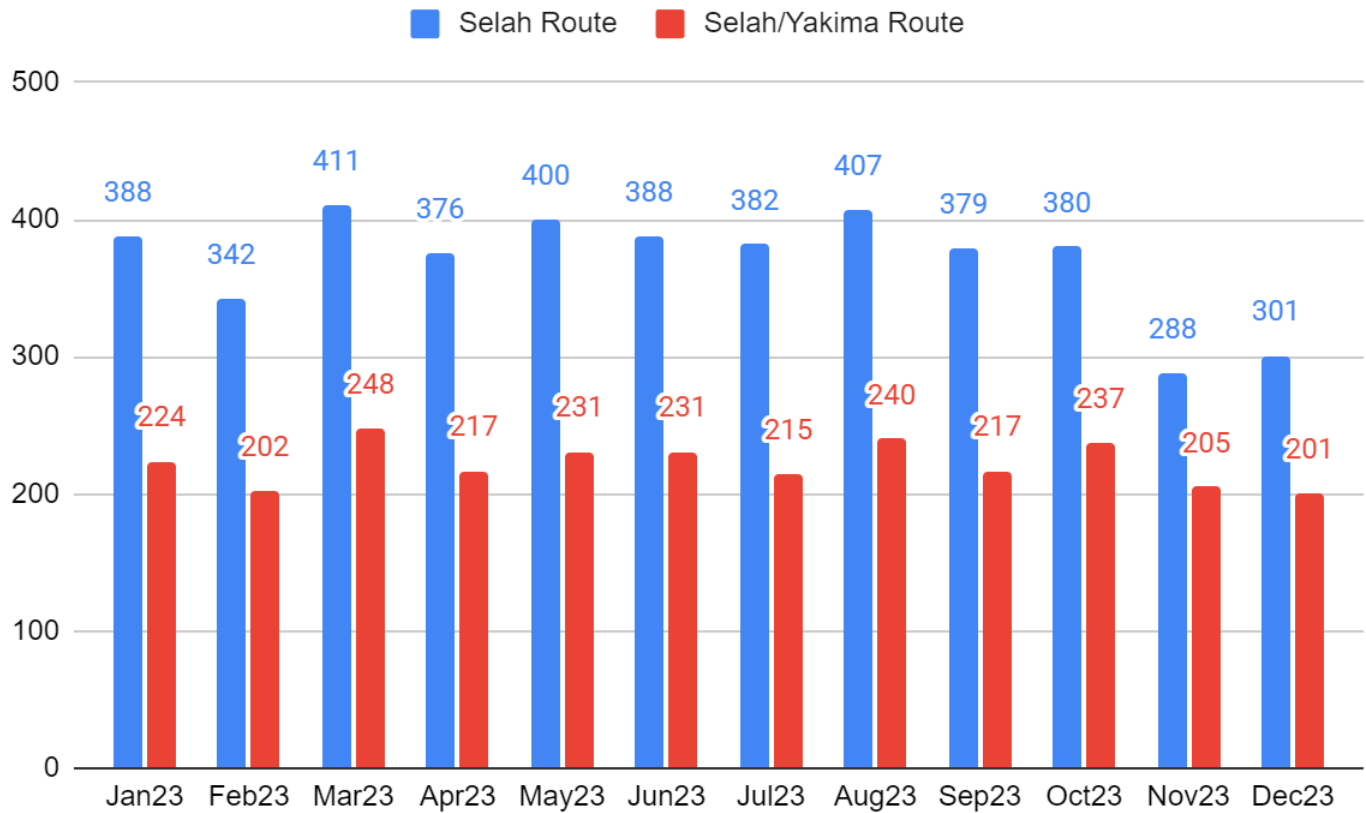

Figure 2: Selah Transit Route Daily Average by Month

The graph depicts boarding/exits per day by an average by day through 2023.

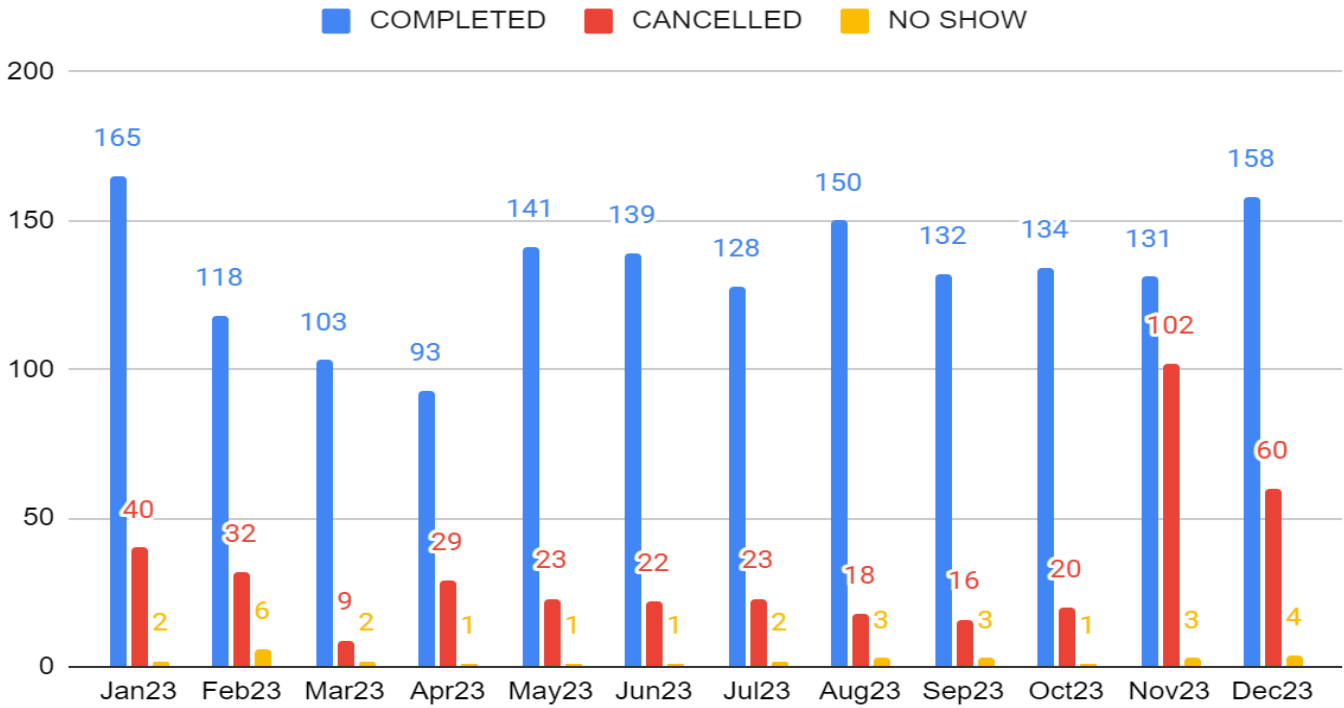

Figure 4: Dial-A-Ride ADA Paratransit Service

Selah Transit will provide 5231 revenue hours of service in 2023, and forecast it will increase at a rate of 1% each year through 2029.

Dial A Ride Total Boardings January 2023 through December 2023.

TELEPHONE INFORMATION HOURS:

Monday–Friday: 7 AM – 6 PM • Sat: 8 AM – 6 PM • Sun: 8 AM – 4 PM

RIDER NOTICE - Beginning January 1, 2019 to ride the Selah Transit buses you will need to purchase a bus pass for individual rides or a monthly bus pass. The cost for individual bus passes is 1.00 per day. Monthly bus passes will be \$30.00 for non-Selah residents and \$15.00 for Selah residents. Dial A Ride ticket books will also be available for purchase for those who qualify to use Selah Dial A Ride. Dial A Ride tickets will be \$2.00 per boarding and ticket books will be available for \$20.00. Bus passes and Dial A Ride ticket books will be available for purchase at Selah City Hall, the Selah Civic Center, Medstar Transportation as well as from the Selah Transit Drivers. Children 6 and under ride free.

ACCESSIBILITY- All transit buses are wheelchair accessible.

All of Selah Transit's buses are lift-equipped to accommodate our passengers using mobility devices such as wheelchairs.

BUS STOPS- See map or call 619-1639 for assistance.

LOST AND FOUND- Lost Items are held for 30 days.

BICYCLES

Our transit buses are equipped with bike racks.

Selah Transit assumes no liability for damage or theft when using bike racks. Use the bike racks at your own risk and monitor your bike when it is on the racks. Please follow the bike rack instructions when loading/unloading.

LOADING YOUR BIKE

1. Pull up to release arm & allow it to drop down slowly.
2. Lift bike onto rack putting bike in the inside slot first.
3. Raise support arm over top of front tire & release to fit over tire making sure support arm is resting on tire not metal.

UNLOADING YOUR BIKE- (inform driver you need to unload bike)

1. Raise arm off the tire & allow it to drop down slowly.
2. Lift bike out of rack.
3. If there is no other bike in the rack, fold the rack up by raising it to the upright position.

RIDING GUIDELINES-

- Shirts and shoes are required
- State law prohibits smoking on the bus
- Take seat quickly & stay seated while the bus is moving
- State law requires the use of seat belts
- No eating, drinking or listening to music w/out headphones
- Keep feet and carry-on items including strollers out of the aisles
- Non service animals must be in cages
- Children under 6 must be with an adult or older child
- No profanity or rude behavior allowed on the bus
- Bikes must be in bike racks. No rollerblades
- The first few seats are reserved for the elderly and riders with special mobility needs. Please give up those seats when requested.
- Please let the driver know ahead of time if you want to get off the bus, and after exiting, wait for the bus to leave before crossing the street.
- Flag stops will only occur when the driver feels it is safe to do so.

SELAH DIAL-A-RIDE-

This program is a great way for Selah residents with mental or physical disabilities, temporary injury or illness to travel when needed within the cities of Union Gap, Selah, and Yakima. In order to become eligible to ride Dial-A-Ride each applicant must complete & submit an application which includes a medical evaluation of their disability, temporary injury or illness. For an application call 509-619-1639.
