## Yard Waste Program

Citizens of the City of Selah have the option to have their yard waste picked up at the curb twice a month. The pickups will occur during the 1st and 3rd week of the month on your regular garbage day. This service will start on April 6th and run through October 19th. The service is optional; customers who choose this service will pay \$2.37 per month.

Yard waste is limited to three (3) plastic bags of grass and leaves per pick-up, not to exceed 40 pounds per bag.

For any questions, please contact the City of Selah at (509) 698-7326.
