Re: Park bathroom facilities and graffiti

Greetings Selah Residents;

Due to the recent influx of graffiti and vandalism the City has had to make the unfortunate decision to limit accessibility to the restroom facilities at Wixson Park and Volunteer Park (A/K/A Dolores Huerta Park).

Until further notice these Selah Park restrooms will be locked between 5pm and 8am daily. We would like to apologize for the inconveniences this may cause the well-intended citizens. The disruption of few may impact many and for the over all safety of our citizens and the financial impact of your tax dollars this is currently the best management to detour further damages.

Please be safe while using the City Parks, if you see something concerning please contact Selah Police at (509) 698-7347 for non-emergencies. If you notice maintenance issues, please contact Public Works.

You're welcome to communicate with the Public Works office with any comments, questions or concerns. Our office hours are Monday through Friday from 8am to 5pm; the number to reach us is (509) 698-7365.

Respectfully,

Rocky Wallace  
Public Works Director  
City of Selah  
(509) 698-7365
