Regular Meeting AGENDA ITEM SUMMARY

Meeting Date: 1/14/2025 Agenda Number: 10E

Action Item

Title: Resolution Authorizing the Mayor to Sign "Task Order No. 2025-01" with HLA Engineering and Land Surveying, Inc., for Professional Services Related to the City's 3rd Street Resurfacing Project

From: Rocky Wallace, Public Works Director

Action Requested: Approval

Staff Recommendation: Approval

Board/Commission Recommendation: N/A

Fiscal Impact: \$133,300.00 for HLA's services, which will include engineering and other tasks. (The City's match is \$13,330.00 or 10% of the total cost. The actual costs for engaging a contractor to perform the work are not yet known, will be presented later, and will be separately acted upon by the City Council.)

Funding Source: 411, Water Fund

Background/Findings/Facts: The City desires, as part of its 3rd Street Resurfacing Project (Project), to resurface certain segments of 3rd Street and Speyers Road. The project will include full width resurfacing, curb ramps, pavement marking, and related work

Funding has been received for these improvements through the Washington State Transportation Improvement Board (TIB) Arterial Preservation Program (APP). The City has been awarded \$520,020.00 in grant funding, provided that the City contributes another \$57,780.00.

The entity of HLA Engineering and Land Surveying, Inc. (HLA) is one of the City's contracted engineering firms and provides professional engineering services to the City on a project-by-project basis, because the City does not directly employ any engineer(s) on its staff. HLA is willing and able to provide the necessary engineering, bidding and other services on this Project. A written task order – labeled "Task Order No. 2025-01" – has been prepared, reflecting HLA's expected maximum fees of \$133,300.00 combined (which fees are separated out into a few different categories).

The attached proposed Resolution will, if approved, authorize the Mayor to sign Task Order No. 2025-01, so that work can commence on this Project forthwith. The City's adopted 2025 budget – via Ordinance No. 2237 – includes an appropriation of monies that will be sufficient to cover the work on this Project.

Recommended Motion: I move to approve the Resolution in the form presented.

Record of all prior actions taken by the City Council and/or City Board, City Committee, Planning Commission, or the Hearing Examiner (if not applicable, please state none).

RESOLUTION AUTHORIZING THE MAYOR SIGN "TASK ORDER NO. 2025-01" WITH HLA ENGINEERING AND LAND SURVEYING, INC., FOR PROFESSIONAL SERVICES RELATED TO THE CITY'S 3rd STREET RESURFACING PROJECT

WHEREAS, the City desires, as its 3rd Street Resurfacing Project (Project), to design and construct improvements to certain segments of 3rd Street and Speyers Road; and

WHEREAS, the entity of HLA Engineering and Land Surveying, Inc. (HLA) is one of the City's contracted engineering firms and provides professional engineering services to the City on a project-by-project basis pursuant to a previously-entered-into Contract for Professional Engineering Services, because the City does not directly employ any engineer(s) on its staff; and

WHEREAS, HLA is willing and able to provide the professional engineering and bidding services that are necessary for this Project; and

WHEREAS, HLA has drafted a six-page "Task Order No. 2025-01", which recites HLA's scope of work and HLA's expected maximum fees of \$133,300.00 combined (which fees are separated out into a few different categories); and

WHEREAS, the terms of Task Order No. 2025-01 are acceptable to City staff and City staff recommends that the City Council authorize the Mayor to sign it; and

Title: Resolution Authorizing Public Works to Purchase One Snow Plow and One Sander

From: Rocky Wallace, Public Works Director

Action Requested: Approval

Staff Recommendation: Approval

Board/Commission Recommendation: N/A

Fiscal Impact: \$26,970.41(which is inclusive of sales tax)

Funding Source: 110, Street Fund

Background/Findings/Facts: The 2025 budget, as adopted via Ordinance No. 2237, includes a specific line item allocation of \$26,000.00 for the purchase of one (1) new snowplow implement and one (1) new sander implement. Public Works has received a purchase quote for the cumulative amount of \$26,970.41, which is slightly more than the budgeted sum but which is for Meyer branded equipment.

The Public Works fleet of snow equipment is comprised predominantly of Meyers branded equipment. This enables most of the snowplows and sanders to be interchangeably affixed to Public Works work trucks, without requiring specific trucks to be designated as the "snow" trucks. In addition to such flexibility, another benefit of continuing with a single brand is that Public Works is able to stock a smaller batch of replacement parts due to most of the equipment being from the same manufacturer.

The attached proposed Resolution will, if approved, authorize Public Works to purchase this snowplow and sander at the quoted price.

Recommended Motion: I move to approve the Resolution in the form presented.

Record of all prior actions taken by the City Council and/or City Board, City Committee, Planning Commission, or the Hearing Examiner (if not applicable, please state none).

RESOLUTION AUTHORIZING PUBLIC WORKS TO PURCHASE ONE SNOWPLOW AND ONE SANDER

WHEREAS, the 2025 budget, as adopted via No. Ordinance 2237, includes a specific line item allocation of \$26,000.00 for the purchase of one (1) snowplow implement and one (1) sander implement; and

WHEREAS, price quotations were sought and three were received by Public Works; and

WHEREAS, Washington Auto Carriage's cumulative quote equates to \$26,970.41, which is an amount that is acceptable to City staff despite it not being the lowest quote received because such quote s for Meyer branded equipment; and

WHEREAS, most of Public Works' snow equipment is Meyer branded, and, thus, purchasing additional Meyer equipment will enable Public Works to stock fewer replacement parts and to interchangeably use implements with its work trucks;; and

WHEREAS, the City Council finds that good cause exists to authorize Public Works to make these purchases;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SELAH, WASHINGTON that Public Works be and is authorized to purchase one (1) Meyer snowplow implement and one (1) Meyer sander implement at the cumulative price of \$26,970.41 (or a lessor amount, if that somehow proves possible).
